THE DEATH OF DENMARK'S QUEEN.

Her Majesty Was Unconscious For Hours Before the End Came,

Cop altagen, Sept. 29.-Queen Louise of morning. The queen's condition became alarming early yesterday morning, and all of the royal family not already there were hastily summoned to the castle. Her majesty lapsed into unconsciousness before noon, and her pulse and respiration became almost imperceptible. Her physicians employed oxygen in an effort to facilitate her respiration, but their efforts were only successful in
